Dear Jay and Sylvia,

Greetings Letter of Gratitude

The Central Islamic Organisation of Guyana wishes to express its profound gratitude and sincere thanks to you for your contribution of a System Server and additional memory to our organization.

You and your team have gone way beyond in assisting the CIOG in all possible ways you can and they are not enough words for us to express how grateful we are to you. It is because of people like you that are role models to us; that give us additional motivation to continue the work that we are doing in Guyana.

May God bless you and your family with continued success, Ameen. May God protect you, your family and business from all evils.

May God grant speedy recovery to your sick relations. May God grant Jannatul Firadous to all your relatives.

May He record this act as a Sadaqa Jaariyah, (continuous charity) one that brings continued blessings in both worlds.

Once again, we wish to express our profound gratitude and sincere thanks for your generosity and kind gesture.

Wassalam
